If you have already cut your car design, bring it in to have it weighed for accuracy. Cars can even be registered on this day. Unfinished cars available for purchase \$8.00.

Children's Building Safety

Thank You

It is hard to believe that over a year ago we instituted a new building safety policy. Thank you for remembering that all doors except the main entry are locked during Sunday service hours and that all preschoolers and elementary age children must be checked in our check in system in the lobby of the Children's Center. By working together, we have established a safe, secure environment.

We have had to make a few changes/corrections during the year. One we would like to highlight: If we need to contact you, the parent or guardian, during one of the Sunday services, the last four digits of the phone number you list during check in will flash on the screen in the Worship Center. Previously, we were using the numeric/alpha code that was printed on your Guardian Receipt, but we found that to be a bit confusing. So we have returned to our policy of using the last four digits of your phone number.

Children's Musical

"The Slingshot Heard Round the World"

**Saturday, May 1 and
Sunday, May 2**

All children ages 5 years and up are encouraged to join! Rehearsals are each Sunday beginning at 10:30 in the Children's Building. Kids can audition for an acting role or be part of the choir. For more information visit our [website](#).

Two Services? No Problem!

Heard about "Family Time" (the class for parents during our 9 am service)? Really want to attend but think your kids won't be able to make it through two services? Yes, they can! We offer a different lesson format at the 9 am

and 10:45 service. Your child(ren) will receive high quality, bible based teaching with the same theme, with 9 am being classroom based and 10:45 being chapel/worship based. Check it out!

Kids Caught in the Middle

Children can become overwhelmed with a variety of feelings when families go through separation and divorce.

"Kids Caught in the Middle" is an interactive program to provide kids with a Christ-centered approach to cope with these feelings associated with their family's transition.

EVERYONE WELCOME

Begins **February 8 6:30 - 8:30 pm**
